MANAGERS MONTHLY MESSAGE

Hello everyone! What a fabulous weekend we had last week, glorious weather and the fabulous Strawberry Tea garden party on Saturday. What a great event it was, lots of relatives and friends in attendance and we managed to raise a fantastic £464!

Thank you to Sharron for her efforts in getting the event planned and to Janet for making the garden look fantastic! The new website is finally taking shape and should be live in the next few weeks, thank you to all who provided testimonials, which have been added to the site.

As always, our door is always open if you wish to see us for anything!

SHELLY'S SHALLOTTED SPACE

Happy August everyone, well what can I say, it's still hot and sticky and I am still overheating in the kitchen.

I hope you are all still enjoying the summer menu. Please keep filling out the feedback forms, they are important as we can see what you like and what your dislikes are.
